Dear Kimball:

This letter is in reference to the bond our company has on the Quarry referred to as buff. We would like to add the name of Department of Oil Gas and Mining to the bond. In addition we would like to see about increasing the bond to \$14,000.00. This would cover the requirement from Department of Oil Gas and Mining.

We appreciate your help with our bonds over the past years and look forward to working with you in the future.

Sincerely,

Weston Hansen
